

THE LITERARY ENCYCLOPEDIA

Exploring literature, history and culture

CALL FOR PAPERS – 20th AND 21st CENTURY FRENCH AND FRANCOPHONE LITERATURE AND THOUGHT

The *Literary Encyclopedia* at www.litencyc.com is looking for qualified writers to enhance its coverage of the various volumes of French literature. The list below is not comprehensive or final, and new proposals of writers/ works/context essays that are not currently listed in our database are also welcome.

In addition to publishing articles on canonical and much-taught literary works, the *Encyclopedia* is also interested in making available information about important writers and works that are often neglected, and in publishing articles about movements, theories, concepts, themes and historical events which are relevant to literary understanding.

All offers of contribution should come accompanied by an up-to-date CV and, in the case of doctoral students who wish to offer a contribution, also a short writing sample.

More detailed information on the *Encyclopedia* – including its **publishing model**, **editorial policies**, specific **information for authors** etc. – can be found on its homepage at www.litencyc.com, under the ABOUT tab

We hope that you will wish to join us in this enterprise. If you wish to contribute, please contact the volume editor(s) listed below, or the managing editor, Dr Cristina Sandru (cristinasandrulitencyc@gmail.com)

20th and 21st century literature

Editors – Dr Hugo Azerad (Cambridge), ha205@cam.ac.uk; Dr Akane Kawakami (Birkbeck), a.kawakami@bbk.ac.uk; Dr Edward Forman (Bristol, Emeritus), e.r.b.forman@btinternet.com

Names highlighted in bold require urgent contributions. “Works” appended to the name of an author indicate that we need articles on that author’s most important works. Ideally, we would like to cover the texts/authors who are often studied at undergraduate level, in parallel with the other texts who you think should be known by students/graduates/wider audience.
